## Dr. Pauly-Bergweiler Riesling feinherb Dr. Pauly-Bergweiler / Berncastel-Kues

Terrior	The Dr. Pauly-Bergweiler Estate has 16 ha (~34 acres) of Riesling vineyards in the steeply-sloped Middle-Mosel area. More than 75% of our vineyards are marked as „Steillage“. The vineyard soils are mostly Devon slate residual soils with varying parts of topsoil and mineral stone. The slate gives our wines a delicate and cool minerality which is typical for a Moselle Riesling. The combination of cool climate, slate and Riesling makes our wines unique.
Description	The QbA feinherb is straight forward and uncomplicated. It has fine fruit aromas in the nose that remind to gooseberry and white peach. It is almost on the dry side, the residual sugar is very moderate.
Suggestion	This Riesling goes great with mixed green salad with grilled chicken and parmesan cheese. Works well as companion for shrimp salad, too.
Quality Level	QbA
Varietal	100 % Riesling

### We say:

„This one is perfect for sitting on the deck on a Saturday afternoon. Moderate alcohol and a hint of sweetness make it easy to enjoy ...”
